

THE AURORA RECYCLING PROGRAM JUST GOT EASIER!

EAFB curbside recycling is getting an upgrade!

On April 21st and 22nd, residents will receive a 64 gallon recycle cart for unsorted recycling materials! You will be able to include the following materials in your recycling cart:

- Mixed paper
- aluminum, tin and steel cans
- plastic bottles and jugs

Beginning April 28th, All pick ups will be on Mondays for ALL housing areas! All you have to do is 'roll' your cart to the curb by 7:30am to guarantee pick up!

Just like the blue recycle bins, the recycle carts MUST be stored in your garage!

Curbside pick up **will not include glass.**

Glass can be recycled at the drop-off center at the Aurora Military Housing Office.

Residents will be responsible for **turning in the blue recycle bins** currently being used.

Just place them at the curb on your regular pick up day, April 21st or 22nd to exchange for your cart. If you miss this first pick up, you will also be able to set them out on April 28th. After this, you will be responsible for returning the bins to Aurora Military Housing **NLT May 16th**.

Non returned bins will be charged to the tenant at a rate of \$16.00 each.
