**Re: Intent to Enter Notice**

Current Resident

As required by Alaska Statutes (AS 34.03.140(a), this letter serves as a 24-hour notice of intent to enter your unit. Your unit will be entered from **6/23/2022** to **6/28/2022** (business days only) between 7:45 AM and 5 PM. Please ensure pets are kenneled. The purpose of this entry is to activate new HVAC infrastructure in the basement and garage.

- **The contractor has requested that cars be removed from the garage during this time to allow for staging, less impactful entry into the home, and garage heater activation**
- **Additionally, please ensure that items are removed from the basement to prevent damage should spillage of water occur.**
- **We anticipate a water and heat outage will occur on 6/23/2022, this outage will take place between 7:45 AM and 5 PM.**

We have prepared a hub that offers more details about this project at [AuroraMilitaryHousing.com/projects](http://AuroraMilitaryHousing.com/projects) and will continue to liberally share updates via mail, flyers, and email.
