
Driveway Expansion

Our Contractor, AK Landworks, will be expanding your driveway.

This will begin on

and will last approximately 10 business days.
(weather permitted)

All work will take place between 730 AM and 7 PM.

The Contractors will require full access to driveway and front yard and request that residents remove items and vehicles while work is taking place to ensure safety. Every effort will be made to minimize disruption; however, this project requires the use of heavy machinery so noise will be present.

The contractors will be accessing your front yard and driveway.
