Re: Intent to Enter Notice

«Name»,

As required by Alaska Statutes (AS 34.03.140(a)), this letter serves as a 24 hour notice of intent to enter your unit. Your unit will be entered from «**Start**» to «**Finish**» (business days only) between 8 AM and 5 PM. Please ensure pets are kenneled. The purpose of this entry is to install new HVAC infrastructure in the basement and garage.

- The contractor has requested that cars be removed from the garage during this time to allow for staging, less impactful entry into the home, and garage heater installation.
- On day 2 or 3 the contractor will need access behind the range for roughly 1 hour.

We have prepared a hub that offers more details about this project at AuroraMilitaryHousing.com/projects and will continue to liberally share updates via mail, flyers, and email. Should you have any questions, feel free to reach out to our project management team at amhprojects@jlproperties.com.

Kind Regards,
